*“Can you just lift your hands*

*Worship Him*

*Don't ask questions*

*Worship Him*

*Replace every questions*

*With worship today*

*Replace every question with worship*

*His transcendent worship*

*When we go for healing meetings*

*We receive healing*

*When we come for worship meetings  
We worship Him  
When you go for prayer meetings  
You are going with the intention to pray  
When you go for, for crusade  
You are going for crusade  
But when you come for a worship meeting  
You come with the attitude of worship  
Lift your hands to Him  
Give Him your best worship  
Give Him your best worship  
Go ahead and worship Him  
Don't ask questions  
Forget about the challenges  
Replace it with worship  
Stop asking  
Where will I get my house rent from  
Replace it with worship today  
Replace every question with worship  
When you worship Him you see His Glory  
When you worship Him you see His Beauty”*
